

DANISH YOUSAF

WEB DEVELOPER AND GRAPHIC DESIGNER

Peshawar Pakistan | +923109488554 | danishyousafzai2004@gmail.com

Versatile Frontend Developer, Graphic Designer, and eBay Virtual Assistant with 2+ years of experience in building responsive web interfaces, creating visual content, and managing e-commerce operations. Completed CCNA Networking Essentials, with a solid foundation in networking and technical troubleshooting. Known for precision, modern design sensibility, and efficient execution in team-driven environments.

AREA OF EXPERTISE

- Frontend development
 - Shopify
- Photoshop
 - eBay VA
- Canva

PROFESSIONAL EXPERIENCE

- Christine Fontaine Teaches - Canada

Jul 2024 - Aug 2024

I designed eye-catching YouTube thumbnails to boost engagement and views, along with creating visually appealing posters for promotions, events, and educational content. I also collaborated with teams to maintain a consistent brand identity across all designs.
- Oasis InfoByte - India

Aug 2024 - Nov 2024

Completed a remote internship at Oasis InfoByte, India, where I gained hands-on experience in applying my skills in a real-world setting and further developed my expertise in web development.
